

All month at Hargreaves Lansdown, they'll be celebrating **International Women's Day (IWD)**. It is a global day that celebrates women's achievements and lobbies for accelerating gender parity.

We know that, by the time a woman reaches retirement, her pension is likely to be much less than her male counterpart. So join Clare Stinton, HL Workplace's Financial Wellbeing Analyst and [Helen Morrissey](#), HL's Senior Pensions Analyst, for their webinar on **Tuesday 15 March at 10am**.

They'll be discussing this gender pension gap and give you, and the women in your life, plenty of tips, tools and ideas to close it – helping them become financially fearless.
